

Dover Youth Hockey Association
110 Portland Avenue
Dover, NH 03820

DYHA Mission: As a non-profit and volunteer organization, our only goal at Dover Youth Hockey Association (DYHA) is to provide the appropriate level of instruction and coaching to develop a player's skill level to the degree they want to achieve. Our mission is to develop fundamental skills and the love of Ice Hockey in a competitive environment. Our goal is to promote team play, a competitive spirit, good sportsmanship, and to give boys and girls the opportunity to develop at every level. We strive to accomplish this goal by offering the right amount of skill development for each player's interest from ages four to 18 through various program offerings including; House League, Intro to Travel, Split Season, and Full Season Travel.

Offerings and Commitment: DYHA offers four programs; Full Season Travel, Split Season, Intro to Travel, and House League.

- **Full Travel** is offered for the most serious player's ambition and due to the practice, skill development, and game time will develop the player to their fullest capability. The Full Travel program is the most advanced and competitive program we offer. This program offers the most ice-time and participates in the Granite State League and Seacoast Hockey League.

Our Full Travel hockey program provides an environment where players can learn and enjoy hockey at the highest level possible. Our teams have consistently been at the top of their Divisions in the Granite State and Seacoast Hockey League standings. We strive to put the most competitive teams on the ice for our teams playing in Tier 1 and 2. Additionally, we have travel programs that compete at an A, B, and C levels, where we stress individual skill, team play, responsibility, hard work, and fun.

- **Split Season** is focused on the high school age player (15 years old typically), both boys and girls. The purpose of this program is to prepare players for their high school team tryouts and season.
- **Full Season Midgets:** DYH is happy to announce their plans for a full season midget team in the 2010-2011 season.
- **Intro to Travel** is offered for the player who seeks more competition and more instruction than house league offers, but not the same rigor and time commitment as a full season travel team. Intro to Travel includes playing in the house league, as well as playing in the Seacoast Hockey League along with our Full Season Travel teams. Intro to Travel is offered for ages 7 to 10 for boys and girls depending on interest of house league players.
- **House League** is offered for the player who seeks an introduction to hockey at a young age, or for a player seeking a traditional recreational schedule. House league is offered for ages 5 to 15.
